Host: Hey there America! Welcome to this week's edition of "Under Pressure" – the show where we give the viewers a chance to walk in the shoes of the people who face high pressure situations every day, and learn what it's like to perform....

SOUND EFFECT 1

Host: ...Under Pressure. I'm your host, Wolf Jetson. On last week's show, we got a chance to catch up with a New York City Firefighter and witness him risk his own life as he pulled two entire families from a burning apartment complex.

CUT TO CAM1 (MCU Host)

Host: On today's show, we've traveled all the way to the Villanova campus, just outside of Philadelphia, Pennsylvania.

CUT TO VIDEO CLIP1

CUT TO CAM2 (MS HOST)

Host: This university may seem quiet and serene at first glance, but we've been able to uncover certain individuals who live each day.....

SOUND EFFECT 1

Host:Under pressure.

CUT TO CAM3 (L2S)

Host: We're joined now by our first guest.....Eugene Picklebottom, a chief residence life associate. Eugene, welcome to the show.

CUT TO CAM3 (MCU TALENT1)

Eugene: Oh, thanks for having me! It's my pleasure to be featured on your show.

CUT TO CAM2 (L2S)

Host: Now let's get this straight – you're currently an RA on the Villanova Campus. Is that correct?

CUT TO CAM3 (MCU TALENT)

Eugene: Well Wolf, I've always preferred the term Chief Officer of Residence Dormitory Inhabittance.

CUT TO CAM2 (MCU HOST)

Host: Is that so? Well, let me ask you something. What exactly is it that you do?

CUT TO CAM3 (MCU TALENT)

Eugene: Wolf, I already told you I'm the Chief Officer of Residence Dormitory Inhabittance.

CUT TO CAM2 (MS HOST)

Host: Yes, I heard you, but what exactly does that mean?

CUT TO CAM3 (MCU TALENT)

Eugene: It is my principle duty to ensure the safety and responsibility of all the students currently residing in the West Apartment District; more specifically, Farley Hall.

CUT TO CAM2 (MCU HOST)

Host: That sounds very interesting – but our audience wants to know exactly when it is that you are....

SOUND EFFECT 1

Host: ...Under pressure.

CUT TO CAM3 (MCU TALENT)

Eugene: OOOO! That noise scared me! Well Wolf, a man in my position is always under pressure. For example, let me describe a typical night for you.

CUT TO CAM2 (MS HOST)

Host: Wow Eugene – that sounds pretty intense.

CUT TO CAM3 (MCU TALENT)

Eugene: Wolf – you have no idea! And the pressure doesn't stop there. Let me describe another situation that I've been faced with. Arson. A very serious topic indeed. Another one of my principle duties is to detect and extinguish potential fire disasters. Here, I have another clip for you....

CUT TO VIDEO CLIP 3

CUT TO CAM2 (L2S)

Eugene: Whew! I definitely saved the day on that one!

Host: Yeah – it definitely seemed like a close call. But don't you think your actions were a bit over the top?

CUT TO CAM3 (MS TALENT)

Eugene: Over the top? OVER THE TOP? You can never be too careful! Do you have any idea what it's like to be.....

CUT TO CAM2 (MCU HOST)

Host: Well that brings us to our second guest – Daisy Applefroth. Daisy, I understand that you also hold a high pressure position on campus?

CUT TO CAM1 (MCU TALENT2)

Daisy: Well Wolf, it's true – although people in my position are often overlooked, or shunned – we are really an essential component to the Villanova community.

CUT TO CAM1 (MCU HOST)

Host: Wait – I'm sorry Daisy. I just realized that we haven't disclosed to our audience exactly what it is that you do. For those of you who cannot immediately tell, Daisy works as a Food Budget Enforcer – or more commonly known as a Meal Plan Swiper.

Megan Abbott, Adam McCauley, Robert Rothchild
FA04-3210-002: Group 2

CUT TO CAM1 (MCU TALENT2)

Daisy: That's correct Wolf – in fact, I take my job very seriously because, as many people do not know, every time somebody illegally enters the dining facilities without properly accounting for their meal, the University loses a lot of money. In fact, if five people falsely sneak into one dinner time period, the University loses upwards of one thousand dollars.

CUT TO CAM2 (L2S)

Host: Wow, that does sound serious – very serious.

Daisy: Oh it is! In many situation I'm forced to lay down the law.

Host: I'm told we have a clip of you doing exactly that. Would you like to introduce the clip?

CUT TO CAM1 (MS TALENT2)

Daisy: Oh sure! About two weeks ago, we had a wiseguy think that he could slip one over my head.....

CUT TO VIDEO CLIP 4

CUT TO CAM2 (MCU HOST)

Host: Holy Crap! I really don't know what to say..... You're so little and sweet looking.... What the..... how did.....

CUT TO CAM1 (MCU TALENT2)

Daisy: You know how it is when duty calls Wolf.

CUT TO CAM2 (L2S)

Host: Sure..... I guess that shows exactly what pressure can do to a person. Well certainly there must be other instances of pressure that don't escalate to that level.

Daisy: Sure, my authority is constantly in question, and often times I am able to handle things verbally. In this next clip, I was able to handle everything in a much calmer fashion.....

CUT TO VIDEO CLIP 5

CUT TO CAM2 (MCU HOST)

Host: Jeez....well I don't understand. Seriously now, what's the worst that could happen if you just let one person sneak in? He looked like he hadn't eaten in days....

CUT TO CAM1 (MCU TALENT2)

Daisy: What? Are you serious? You're just like the rest of them! You don't understand responsibility and the repercussions my actions have!

CUT TO CAM3 (L3S)

Eugene: That's what I was trying to say before!

CUT TO CAM2 (MCU HOST)

Host: Well that's all we have for this week's episode of Under Pressure. Tune in next week to see if we can get some quests who really have to deal with high pressured situations. Goodbye!

CUT TO CAM3 (L3S)

Eugene and Daisy: Real pressure! I'll show you.....
